KATE gets WET!

Upton goes arse over tit in seaside photo fiasco

KATE Upton's high centre of gravity was her undoing when she came a cropper while shooting yet another cover for Seppo mag *Sports Illustrated*.

The stacked supermodel's WEIGHTY WIG-WAMS appeared to drag her down after she was smacked off a rock by a wave during the photo shoot in Aruba – you know, that Caribbean island where all the MODELS ARE.

With her tits all a-wobblin' and her kissable arse waving in the air, Kate hit the deck, but luckily none of her valuable assets appeared to be damaged.

There was a strong rumour about some SAND in the Upton VAGINA, but we have not been able to confirm this at press time.

However, we're sure Kate would be able to cope with any vaginal grit with her trademark GOOD HUMOUR and SUNNY DISPOSITION.

She probably has a personal assistant who takes care of that sort of thing, anyway. The Picture

She's TACKED!

Beth's chesticles should have a WIDE LOAD sign on them

ENGLAND aren't able to turn out a decent cricket team, enough sunshine to burn a ranga or a SINGLE decent beer, but by Christ the joint does well at producing pretty young chicks with MASSIVE NATURAL NORGS.

You may remember 22-year-old Beth Lily and her stonking BOOBENHAUSERS from #1439 – and if you don't, you've been lobotomized. Beth's blamps are so fucken huge that few can get close

MORE TITS TO COME!

"I'VE BEEN COMPARED TO KATE UPTON"

enough to have an audible conversation, but luckily we managed to have a chat with her a little while back.

Tell us something we don't know about you.

"I like motorbikes and I have a vintage Triumph in the living room! My dad used to race them. He's a real speed freak and got me obsessed with them."

You won't need to worry about AIR BAGS. We've heard that Essex girls are really wild...

"Yeah, but I'm not your classic Essex stereotype. For one thing I don't have the accent."

We've also heard that you want to be an actor?

"I'd like to try television presenting or get into acting. My favourite actors are Cameron Diaz, Johnny Depp and Lindsay Lohan – I love them. I've been compared to Kate Upton – who is my idol, so it's very flattering."

You've definitely got BIG THINGS ahead of you.

"It's very nice to be so well received and I'd like to do more photoshoots."

The possibilities are endless. Just like your amazing rack!

ON HER BALCONY!

Ex-soapie actress turned Instagram star Maitland Ward got into the spirit of the Superbowl with this nice norks-out shot for her fans. Go the punt, Maitland!

MIAMI!

Model Cláudia Alende was runner-up in Brazil's Miss Bumbum contest in 2014. Her arse may have let her down, but we'd put money on those tits any time.

SPLIT!

The Croatian coast is the new hot spot for us jet-setting beach lovers. The surf's shit, you can't get a pie and your bus pass won't get you there, but with Charlie showing her tits off, it's worth the effort.

MOSCOW!

Russian fashion week was fucken ace. Everyone was wondering if Putin would show up and if he'd take his shirt off. This chick is a big fan of his style, obviously.

KAZAN!

They're pretty tough, those Russian sheilas. It might be 30 below zero, but they'll still be up for a nudie run in the local park. What's the bet she'd had a few dozen vodkas first, but.

LOS ANGELES!

Model and porn star Christi Cinn is so popular, snappers follow her everywhere, even she's on the porch tryna have a nude nap. It's the price of being famous, babe!

News Flash

Believe it or not, this shit happened!

CHIP TOUPÉE!

HEY baldies – wanna grow some hair? Try covering your chrome dome with a hat made out of McDonald's french fries. Brainy Jap scientists at Yokohama National University have found that dimethylpolysiloxane, a chemical used in the oil used to cook Macca's fries, has helped regrow hair follicles in mice, and preliminary tests indicate it'll do the same for YOOMANS. Just let it cool down first, eh.

PUMPED!

BRAZILIAN bodybuilder brothers Tony 'Hulk' Geraldo, 49, and Alvaro 'Conan' Pereira, 50, have been injecting themselves with a chemical supplement called Potenay B12, normally used to treat cows and horses, twice a week since they were teenagers. Their aim was to get nice and bulky, which they have. But now docs have warned them to stop it or else they might start mooing and neighing.

YODEL, DUDE!

THERE'S nothing Swiss dude Dani Arnold likes more than CLIMBING UP STUFF, so he was pretty fucken thrilled to have a crack at THIS frosty bewdy. The 300m-high ice fall, nick-named Beta Block Super, is located on a mountain called Breitwangflue, above Kandersteg in Switzerland. It had never been climbed before without ropes but Dani boy shinnied up there faster than you can say... well, Breitwangflue.

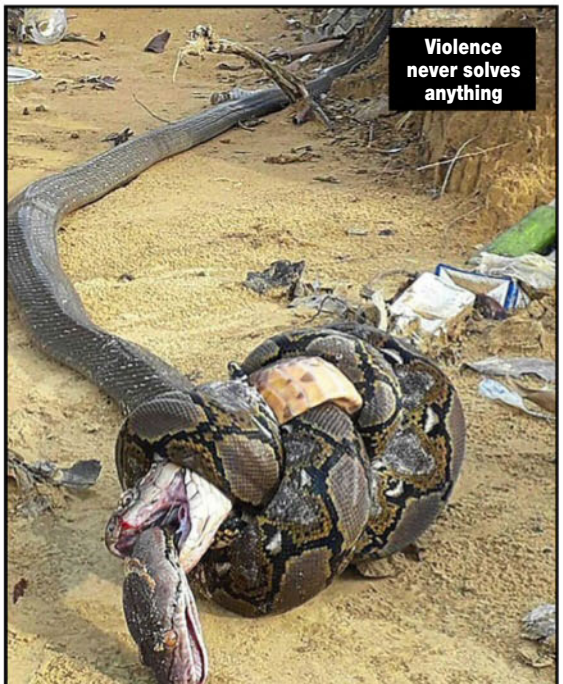
#1 HIPSTER

IF BEARDS are cool, this bloke is the Fonzie of the 21st century. Larry Gomez, of San Bernardino, USA – nickname the "Wolf Man" – has hypertrichosis, with 98 per cent of his body covered in hair. "Being one of the hairiest guys in the world means I'm special and famous too," he says. " A lot of people ask me 'how do you live with this?' And I say, well, I have to live with this because I have it and I don't know any other way."

SNAKE-ON-SNAKE CRIME

TWO snakes enter, NO snakes leave. That was the grim story when a couple of the world's FANGIEST reptiles went head-to-head somewhere in Southeast Asia. The king cobra and the reticulated python met to battle it out, and it ended with both of them DEAD. The python wrapped itself around the cobra and SQUOZE it to death, while the cobra bit the python and poisoned the fucker. Why couldn't they just get along, eh readers?



SLIDE ON, SEMEN

EVERYONE watching the Winter Olympics in Korea was suitable jazzed – or should that be JIZZED? – to watch top Russian luger SEMEN Aleksandrovich Pavlichenko do his thing on the ice track. The 26-year-old had such fun competing at the 2014 games he decided to COME AGAIN this year. In between, Semen's competed in several luging world cups, both solo and in RELAYS, so he must be pretty HANDY. We're no judge in these matters, but all the girls reckon he's a BIT OF A SPUNK.

ZOE TAYLOR

Zoe just wants to get rid of her tan lines, and if that involves nude sunbaking in the backyard, so be it. We're not gunna argue.

GIR NE DOO

With neighbours like these you'd never leave home

LIKE the song says, everybody needs good neighbours. You should be there for one another... like when they want to borrow a cup of rum, or need some suntan lotion rubbed on their creamy white arse cheeks.

'Cos they're not ALL cranky psychos who fire up the leaf-blower at 6am and chuck dog shit over ya back fence.

Some neighbours are beaut!

We're talking about the horny babe variety who like to spend hot summer days in their backyards jumping over the sprinkler in their undies, playing topless volleyball with their equally spunky mates, or just lazing around topping up their all-over tans.

Yeah, those are the ones you want.

And with a little understanding, good neighbours can become good friends. Possibly with BENEFITS.

WHAT A MUG!

Blowing the life back into dead soldiers

WHAT do you do with your empty longnecks? Apart from CRY OVER THEM, 'cos they're, y'know, EMPTY.

Melbourne glassblower Mick Fawns has come up with a brilliant idea. He makes them into classy beer mugs so you can FILL THEM UP AGAIN. Then EMPTY THEM AGAIN.

And so, the wondrous cycle of life continues...

Mick, ya liddle genius, whence cometh this top idea?

"The idea came up around a campfire. A few stubbies ended up in the fire and started melting down and some mates were asking if I could do anything with empty bottles.

"I can't remember exactly how we got to the idea of making beer mugs, but I'm pretty sure that's where it all started."

Please explain to us CLUELESS MUGS how it's done.

"You start with cleaning and removing the labels. Then cut off the neck and melt the larger end of it down and jam it on the side of the other part of the bottle, and while it is still hot, shape it into the handle. You have to be careful not to crack or distort the thread on the end of the neck, so you can replace the cap at the end to finish it off."

And what do you personally like to fill the finished product with?

"Just about anything from Tassie. Cascade Pale was my all-time favourite but I find it nearly impossible to get up here on the mainland. Usually I just drink Melbourne Bitter." Picture

PLAY TIME

Bloke plays footsy with 5 metre noah!

YOU'D think that this bloke would be shitting his wetsuit, with a five metre TIGER SHARK coming up underneath him to SNIFF HIS FLIPPER.

But diver John Garza ain't scared. He knows the big noah is just playing around and won't eat him. Well... he's pretty sure.

Photog James Ferrara took the pic at a spot in the Bahamas where he and Garza go diving regularly.

"I wasn't scared while taking this photo," reckons Jimbo. "I've become very comfortable around sharks, but you always have to remember they are wild animals.

"John has been shark diving and practicing shark conservation for five years. He is very comfortable around them too."

James reckons sharks get a lot of bad press, and they're not the VICIOUS, MINDLESS KILLING MACHINES we've been lead to believe. He does say you have to keep your shit wired when you're in the water with them though.

"Diving with sharks, you learn to read their body language and know when it's time to get out of the water.

"Most of the time, though, the sharks are just curious."

Sure. They're probably wondering what you TASTE LIKE. ■ Picture

POSITIONS VACANT!

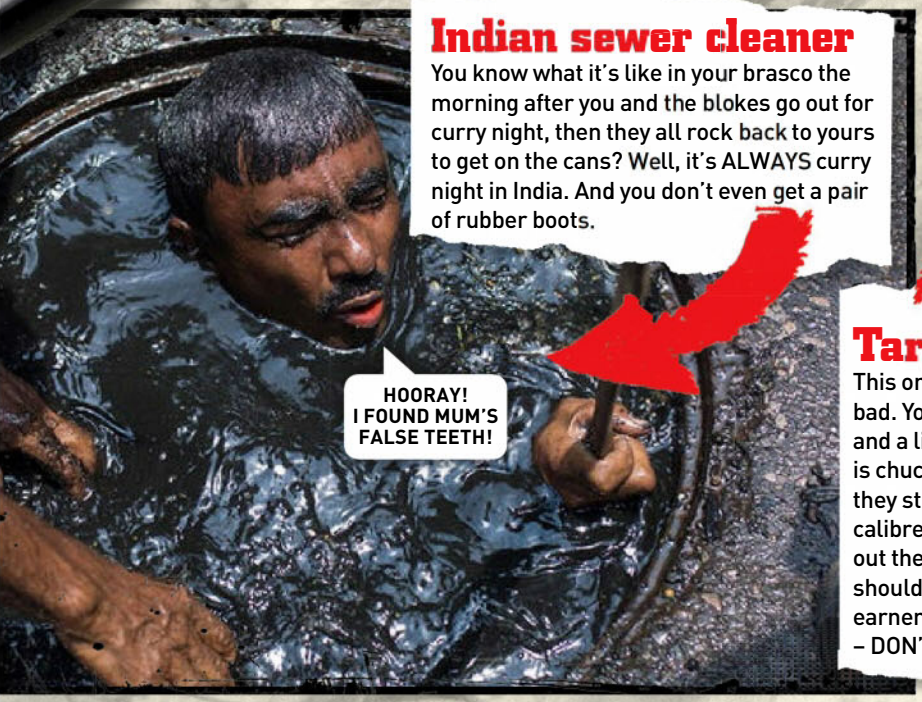
Looking for a new gig? Get down to Centrelink and see if they can fix you up with one of these

Bull wanker

You drive this little cart that looks a bit like a cow, and the bull climbs on and fucks it and sprays his taddies into a bucket thingy at the front. Of course, sometimes he'll miss and you'll cop a face full, but you can console yourself with the line you use on your girlfriend: "It's good for the complexion, love."

Indian sewer cleaner

You know what it's like in your brasco the morning after you and the blokes go out for curry night, then they all rock back to yours to get on the cans? Well, it's ALWAYS curry night in India. And you don't even get a pair of rubber boots.



Target holder

This one doesn't look too bad. You get a nice uniform and a little stool, and lunch is chucked in. As long as they stick with the small calibre stuff and don't pull out the heavy artillery, it should be a nice little earner. Oh, and remember – DON'T STAND UP!

Elephant turd collector

Elephants shit a lot, and at some zoos they like to catch it before it hits the ground. We dunno why. Some sort of ant protection scheme, probably. Anyway, you'll need strong shoulders and a tolerance for working close to big, wrinkly arseholes. Any parliamentary experience would be helpful.

Armpit sniffer

If you're a short person, you probably do this on the train on the way home anyway, so you may as well get paid for it. Just take a big snoot full of the subject's whiffy pits and see if their deodorant is working. If it is, all beaut, but if it isn't, you may end up with a bit of a headache by the end of the day.

Pet food tester

These days dogs and cats won't eat just any old smelly shit, it's got to be fancy, imported smelly shit. And some fool – sorry, some GENIUS – has to taste it for them You could be that genius. The upside is you probably won't get fleas.

Law student does porn, gets part in Game of Thrones!

SIZZLING Pommy ranga Ella Hughes gave up a possible career in fucking people over in court to fuck them ON SCREEN.

And she even scored a part in *Game of Thrones* along the way!

Ella, 22, was halfway through her law degree when she chucked in her studies to do porn full-time, after dabbling in modelling while at uni.

"I did a stint doing lads' mags, then it kind of progressed from one into the other," she explains.

The law degree can wait, she reckons. "I'm halfway through. I have postponed that for now."

And in a beaut coinky-dink, a year after appearing in episode six, season seven, of G.O.T. as 'Volantene whore #4', she copped a part in a G.O.T. porn piss-take, *Queen of Thrones: A Brazzers XXX Parody*, as 'Laundereen'.

She reckons doing porn has boosted her self-esteem and made her a much CHEERIER person.

"Before I got into porn I was a very shy girl. I never thought I was pretty enough and I struggled with weight issues.

"I never thought in a million years I would be capable of doing something like this."

Hooray!

You're Joking

A MONKEY is sitting in a tree smoking a joint when a lizard walks past. The lizard looks up and says to the monkey, "Hey, monkey! What are you doing up there?"

"Smoking a joint," the monkey replies. "Come up and join me, my cold-blooded friend, and let's get ripped together."

So the lizard climbs up and sits next to the monkey and they smoke a joint. After a while the now very stoned lizard says his mouth is dry, and that he's going to get a drink of water from the river.

At the riverbank, the lizard is so off his chops that he leans too far over and falls in. A passing crocodile sees this, swims over to the stoned lizard and helps him back onto the bank.

"What's the matter with you?" the crocodile asks the lizard.

The lizard explains to the crocodile that he'd just been was sitting in a tree smoking a joint with his new monkey friend and how his mouth got dry, he went for a drink and was so stoned he fell in the river.

The crocodile thinks to himself he wouldn't mind some of the good gear this monkey is holding, so he strolls into the jungle and finds the tree where the monkey is still sitting, finishing another joint.

He looks up and says "Hey, monkey!"

The monkey looks down in amazement and says, "Fucken hell, mate, how much water did you fucken drink?"

JOKE OF THE WEEK WINS $100

A RICH bloke in Darwin threw a party and invited all his neighbours, including Brian, the only Kiwi in the street.

The party was around the pool in the backyard of the man's mansion. Everyone was having a good time, drinking champagne, dancing to the live band and eating fresh lobster and barramundi from the huge buffet.

Then at the height of the party, the host announced: "Ladies and gentlemen, I have released a five-metre saltwater crocodile into my pool and I'll give a million dollars to anyone who'll jump in and wrestle it."

The words were barely out of his mouth when there was a loud splash and everyone turned around to see Brian in the pool fighting madly with the crocodile.

He was jabbing it in the eyes, head butting it, biting its tail and flipping it in the air like a martial arts expert.

Then the croc fought back, dragging Brian to the bottom of the pool in its jaws.

But Brian broke free and they wrestled some more, churning the water in the pool to foam as they thrashed about.

After what seemed like an age, Brian finally strangled the crocodile and let its limp body float to the top of the pool like a dead goldfish.

Exhausted, Brian climbed out of the pool while the partygoers stared at him in disbelief and admiration.

The millionaire said, "Well done, Brian! I reckon I owe you a million dollars."

"Nah, bro, that's alright," said Brian. "I don't want your money."

"But Brian, I have to give you something," replied the millionaire. "You won the bet. How about half a million?"

"No, seriously, I don't want it," Brian replied.

The millionaire persisted. "Come on, I have to give you something. How about a new Porsche? A yacht? Some blue-chip mining stock?"

Again, Brian said, "Nah, none of that."

Confused, the rich man asked, "OK, Brian, what DO you want?"

"I just want the name of the dirty bastard who pushed me in."

SIMON, VIA EMAIL

A MAN accidentally elbowed a woman's tit as she stood behind him in a hotel lobby. The bloke apologised profusely and said, "If your heart is as soft as your breasts, I know you'll forgive me."

To which the woman replied, "If your dick is as hard as your elbow, I'm in room 318."

K.L., VIA EMAIL

Q. WHY DO SCOTTISH BLOKES WEAR KILTS?
A. BECAUSE SHEEP CAN HEAR A ZIPPER FROM A MILE AWAY.

NORM, VIA EMAIL

A POLICE officer was driving through Mount Druitt when he saw a pregnant chick shoving a coat hanger up her pussy.

He pulled over and shouted, "I'm arresting you on suspicion of performing an illegal abortion!"

"Nah, mate," replied the bogan. "I'm just piercing the little bastard's ears!"

THE PROFESSIONAL

GARY DELANEY

I was involved in quite a violent mugging the other day. On the plus side, I did make a few quid.

LAST TIME I WAS HERE A GIRL ASKED ME FOR SEX. I HAD TO DISAPPOINT HER. WE HAD SEX.

Dave drowned. So at the funeral we got him a wreath in the shape of a lifebelt. Well, it's what he would have wanted.

I WATCHED THE DIRECTORS' CUT OF A PORN FILM. AT THE END HE ACTUALLY FIXES THE WASHING MACHINE.

I certainly broke a few hearts when I was a young man. I ran a chip shop.

MY GIRLFRIEND'S DOG DIED, SO TO CHEER HER UP I WENT OUT AND GOT HER AN IDENTICAL ONE. SHE WAS LIVID. SHE SAID, 'WHAT AM I GOING TO DO WITH TWO DEAD DOGS?'

Nan would always send us texts saying please come round, my arthritis is getting worse; but then they stopped. So presumably it got better.

THE JOKE'S ON YOU

THIS WEEK: **EX-WIVES**

I SPENT THE LAST 2 YEARS SEARCHING FOR MY EX-WIFE'S KILLER, BUT NOBODY WILL DO IT.

I still miss my ex-wife. But my aim is improving.

Q. WHY IS DIVORCE SO EXPENSIVE?
A. BECAUSE IT'S WORTH IT.

My relationship with my ex is very psychological. She's psycho. I'm logical.

MY EX AND I HAVE ONE THING IN COMMON. WE BOTH WANT MY MONEY.

My ex was a great housekeeper. After divorce, she kept the house.

MY EX-WIFE HAD A REALLY WEIRD FETISH. SHE USED TO DRESS UP AS HERSELF AND ACT LIKE A BITCH ALL THE TIME.

A MAN goes to a toy shop to buy his daughter a Barbie doll for her birthday. He sees the regular Barbie is $19.95, while Divorced Barbie is $350, so he asks the sales girl why Divorced Barbie is so expensive. She replies, "Because Divorced Barbie comes with Ken's house, Ken's car and Ken's yacht."

MUNGO'S ON TWITTER

That's right, I'm tweeting me heart out for the people. None of that what-I-had-for-brekky or I-just-done-a-big-poo stuff, just my usual classy shit. It's at:

https://twitter.com/ThePictureMungo

JOYCE, MATE

MUNGO, what do you reckon about Barnaby Joyce dipping his pen in the company inkwell? He goes all right for an old bloke, eh. It must be the country air.

L.M., BATHURST, NSW

MUNGO SAYS: Go the Barn. Who would've guessed there was anything under that hat besides that big, ugly head? Turns out the bloke is a love machine. I guess that's what they call a barn raisin'. Did he grow up on a stud farm or something?

GIZ A GLASS OF GAY!

I WAS browsing the liquor shop the other day when I noticed Brokeback Mountain has its own rum label. Not sure what the juice inside tastes like or how smooth it is, but looks like it'd keep those mountaineers warm.

R.C., SOMEWHERE IN WA

MUNGO SAYS: I'd like to point out that I take my rum straight. Just sayin'. But I have had a gargle of the product in question and it's a bloody beauty, as any connoisseur of the cane juice will tell ya. I'm sure our champion homo pals would love it, too, as much for its silky, light flavour as the fact that it says 'GAY' in big letters right there on the bottle.

GOOD GRIDDANCE

MUNGO, I'm pissed off that the wowsers have forced the grid girls out of Formula 1. I don't know much about F1 but I do know that a few spunky babes make anything better.

E,B., NOOSAVILLE, QLD

MUNGO SAYS: Mate, get over it. There's a world full of spunky women out there, so a few less hanging around those rich pricks in their multi-million dollar fang-mobiles means there'll be a few more hangin' around down the pub for nice, normal blokes like you and me to make a move on. I'm a schooner-glass-half-full kinda guy.

MUNGO WANTS TO KNOW...

OK people, have a flick over your PICTURE collection, pick out your favourite babes, and let me know which ones you love and why, and not only will we try and get her back in the mag, you'll earn a fiddy if I use your letter.

PRINCE VALIANT

G'DAY mate, I sure bet you pull a few roots in your Mungo mobile. There's nothin' wrong with a 1974 Chrysler-by-Chrysler VJ Valiant. Obviously put a lot of thought into the number plate. Cheers.

P.L., MILDURA, VIC

MUNGO SAYS: Close, but no cigar. Nice plates, but the original Mungo mobile was a '72 VH Ranger, 215 cubes with three-speed auto, white, with a dark green right front panel, rust holes in the floor and fuck-all brakes. Where is she now, I wonder?

RUBE'S BOOBS

MUNGO, I'm still goggle-eyed over the magnificent norks of Ruby, the Sydney babe in issue #1446. Most of my back issues of THE PICTURE get filed away, but that one has stayed on the coffee table ever since I got it. When can we see more of Ruby's boobies? I reckon they really are the "best natural norks in Oz"!

KEV, PORT MACQUARIE, NSW

MUNGO SAYS: They are beautiful, are they not? Full of life-affirming beauty like a sunrise at Uluru, a frosty new schooner or a winning TAB ticket. And they're all home-grown, dinky-di Aussie boobitude. Why would you live anywhere else?

GOING DOWN

NO NEED for the flight attendant to point out the exits to this passenger – he knows where he's going, and he's going arse first. The U.S. Special Forces paratrooper remembered to chuck a snappy salute to his mates just before stepping backwards out of a C-130 Hercules into the wild blue fuck-all while on a training mission over Germany. You'd think, being 5000 metres in the air, he'd wanna look where he was going, but nah. Dudes from the 1st Battalion, 10th Special Forces Group, don't look, they just jump. Then they land, fight like berserk warriors, sing the battalion victory song, go get in another aeroplane and do it all again. Yeah, it's a great life in the paratroopers, but a bit fucked if you're scared of heights, in which case you might want to consider joining the catering corps.

RETURN OF THE KUNT

Oz's grumpiest tennis star Jayden Kuntzakis is not happy. No surprises there.

YEAH, so me DJing career didn't exactly go real good. Mainly because I didn't know how to work the deck and everyone kept asking me real stupid stuff, like why don't I just fuck off?

I thought it was a trick question, so I told 'em: "I'm rich and you're not." That shut 'em up.

Jeez, tennis is fucked. I hate it. Other cunts keep winning. I could've won the Davo Cup for Australia but I wasn't allowed. I'm still rich, but.

So, with the winter Olympics on and that, I thought I'd take up ice-skating. 'Cos how hard could it be?

To make sure no-one could beat me, I hired my own cheer squad. I'm rich, so I can do that.

But it turns out it was all rigged. Some of the other skaters had been practising for years, which wasn't fair. Otherwise I'd've beaten 'em for sure.

Then they wanted me to skate when I was in the middle of a really intense game of Candy Crush on me phone. Fuck that shit – too much pressure!

So I bailed and flew back to the Goldie to race me pricey sports car up and down Cavill Ave, where I could be out of the spotlight and that.

Good thing I'm rich, eh.

But skating's fucked and I don't like it anymore, so now I wanna play soccer for Australia in the World Cup in Russia in July.

They'll have to let me, 'cos I'm rich.

Talking Dirty WITH TRINITY

THANK YOU, COME AGAIN

HEY Trin, I'm a huge fan. I'm looking for some tips on going down on my man. We've got our honeymoon coming up soon and I really want to surprise him. I've heard ice cubes in my mouth can work, but I don't want to freeze his penis. I've also heard that humming on their balls can work too. Tell me about your moves.

F.K., GOSFORD, NSW

TRINITY SAYS: ***Yes girl, get that dick in your mouth! Avoid ice because cold sucks. Humming on the balls gets a big yes from me. Use loads of spit and let it drip from your mouth onto his cock then slurp it back into your mouth. Wank, suck and pull! Mix up the tempo, mix up the pressure and just absolutely go to town. Deep throating is the ultimate winner so practice that, too.***

SHE SCORED!

MY MISSUS used to be very popular back in her day. Recently she revealed to me that she rooted a famous footy player from the Broncos back in the late 90s. All she will tell me is that he had blonde hair and wasn't a prop. Now all I can think of is Alfie Langer fucking her. It's keeping me up at night. What should I do?

IAN, BRISBANE, QLD

TRINITY SAYS: ***Get over it. Seriously mate, it was the past. You're being a real dickhead. Slap yourself really hard and shake it off. It's not a big deal so don't make it one.***

SLIP OF THE TONGUE

I'M SEEING this new chick and she loves it when I go down on her. The problem is I don't have any new moves. What drives you wild when a fella goes down to tuna town, Trin? This would help me out lots.

DONNY, PENRITH, NSW

TRINITY SAYS: ***If he goes straight to my clit I'm instantly turned off, so use every other surface of her body – inner thighs, butt, stomach, neck, lips of fanny – and wait till she's absolutely begging for it. Make the clit the LAST thing you touch. Then, shortly after going down, slip the finger in for the home stretch. Don't rush anything!***

SAY WHAT?

I DON'T usually talk dirty in bed, but my girlfriend says I'm too quiet and she'd like it if I talked dirty. I always feel weird saying that kind of stuff that you see in pornos. What are some good things to say while we're doing it? Should I just watch more porn, get really drunk and go bloody crazy with my words?

DUNCAN, NEWCASTLE, NSW

TRINITY SAYS: ***Don't use derogatory stuff like "dirty slut" and "fuck bag". The key to dirty talk isn't name calling, its describing your filthy fantasies or dirty thoughts and telling them to your partner in a way that gets their brains working.***

TIG OL' BITTIES

TRIN, do you have names for your tits? My wife calls hers Tango and Cash.

STEVE, VIA EMAIL

TRINITY SAYS: ***Yes I certainly do! Mine are named Terry and Sherry. Sherry is slightly bigger than Terry, that's how you tell them apart. But they insist on getting an equal amount of love and attention between them.***

"LET IT DRIP FROM YOUR MOUTH ONTO HIS COCK"

TRINITY WANTS TO HEAR FROM YOU!

Do you have a question only a SEXPERT like Trinity can answer? Do you want some advice on women in general? Or do you just want to ask about her XXX-rated sex life? YEAH? Then write to Talking Dirty With Trinity, c/o THE PICTURE, GPO Box 5201, Sydney, NSW 2000, or send an email to trinity@bauer-media.com.au. She's waiting!

Get up ya SOOK!

WHO:
A Chinese builder's labourer

WHERE:
China

WHAT:
He skewered his arse on a metal rod

OUCH FACTOR
94%

THIS feels like déjà vu all over again. Yet another hardworking Chinese builder's labourer has fallen off something onto a metal rod to be shishkebabed like a piece of cheap pork in a late-night diner.

The 64-year-old (don't these blokes ever retire?) hero of the people was putting in a shift on a building site in Chenzhou, in Hunan Province, when he did an arse-first swan dive from two metres up onto the rod.

Luckily it didn't go up his date, but pierced one of his leathery buttocks and continued into his chest, where it did a bit of damage.

The emergency dudes cut the rod off so they could get him into an ambo and to hospital, where a crack team of commie doctors operated on him.

The good news? He survived and at last report was "critical but stable".

The bad news? We're telling him to GET UP, YA SOOK! ■ Picture

Lucy picks up where Elle left off
Gary Santos
READ HER JUICY SEX SECRETS!

"THEY'RE NATURAL AND THE PERFECT SIZE"

EVERY night before Lucy goes to bed, she looks at her awesome body in the mirror and says "FUCKEN AY!"... except she's German so it probably sounds more like "FOCKEN ACHHHT!".

The TOP HEAVY 24-year-old student has one of the most FAPWORTHY bodies we've ever seen and, unsurprisingly, we're not alone in going NUTS over it.

"Men tell me I have their dream body," spilled the SPOOF-INDUCING STUNNA. "And of course I love my body, too."

You'd be madder than a slashed reptile not to. What's your fave bit?

"My boobs – I love them! They are all-natural and the perfect size. When I am with a guy they are always what he will go for first. Which is OK as long as he doesn't forget other areas, you know?"

WE KNOW. Do you enjoy them being played with?

"Of course! It is perfect for foreplay.

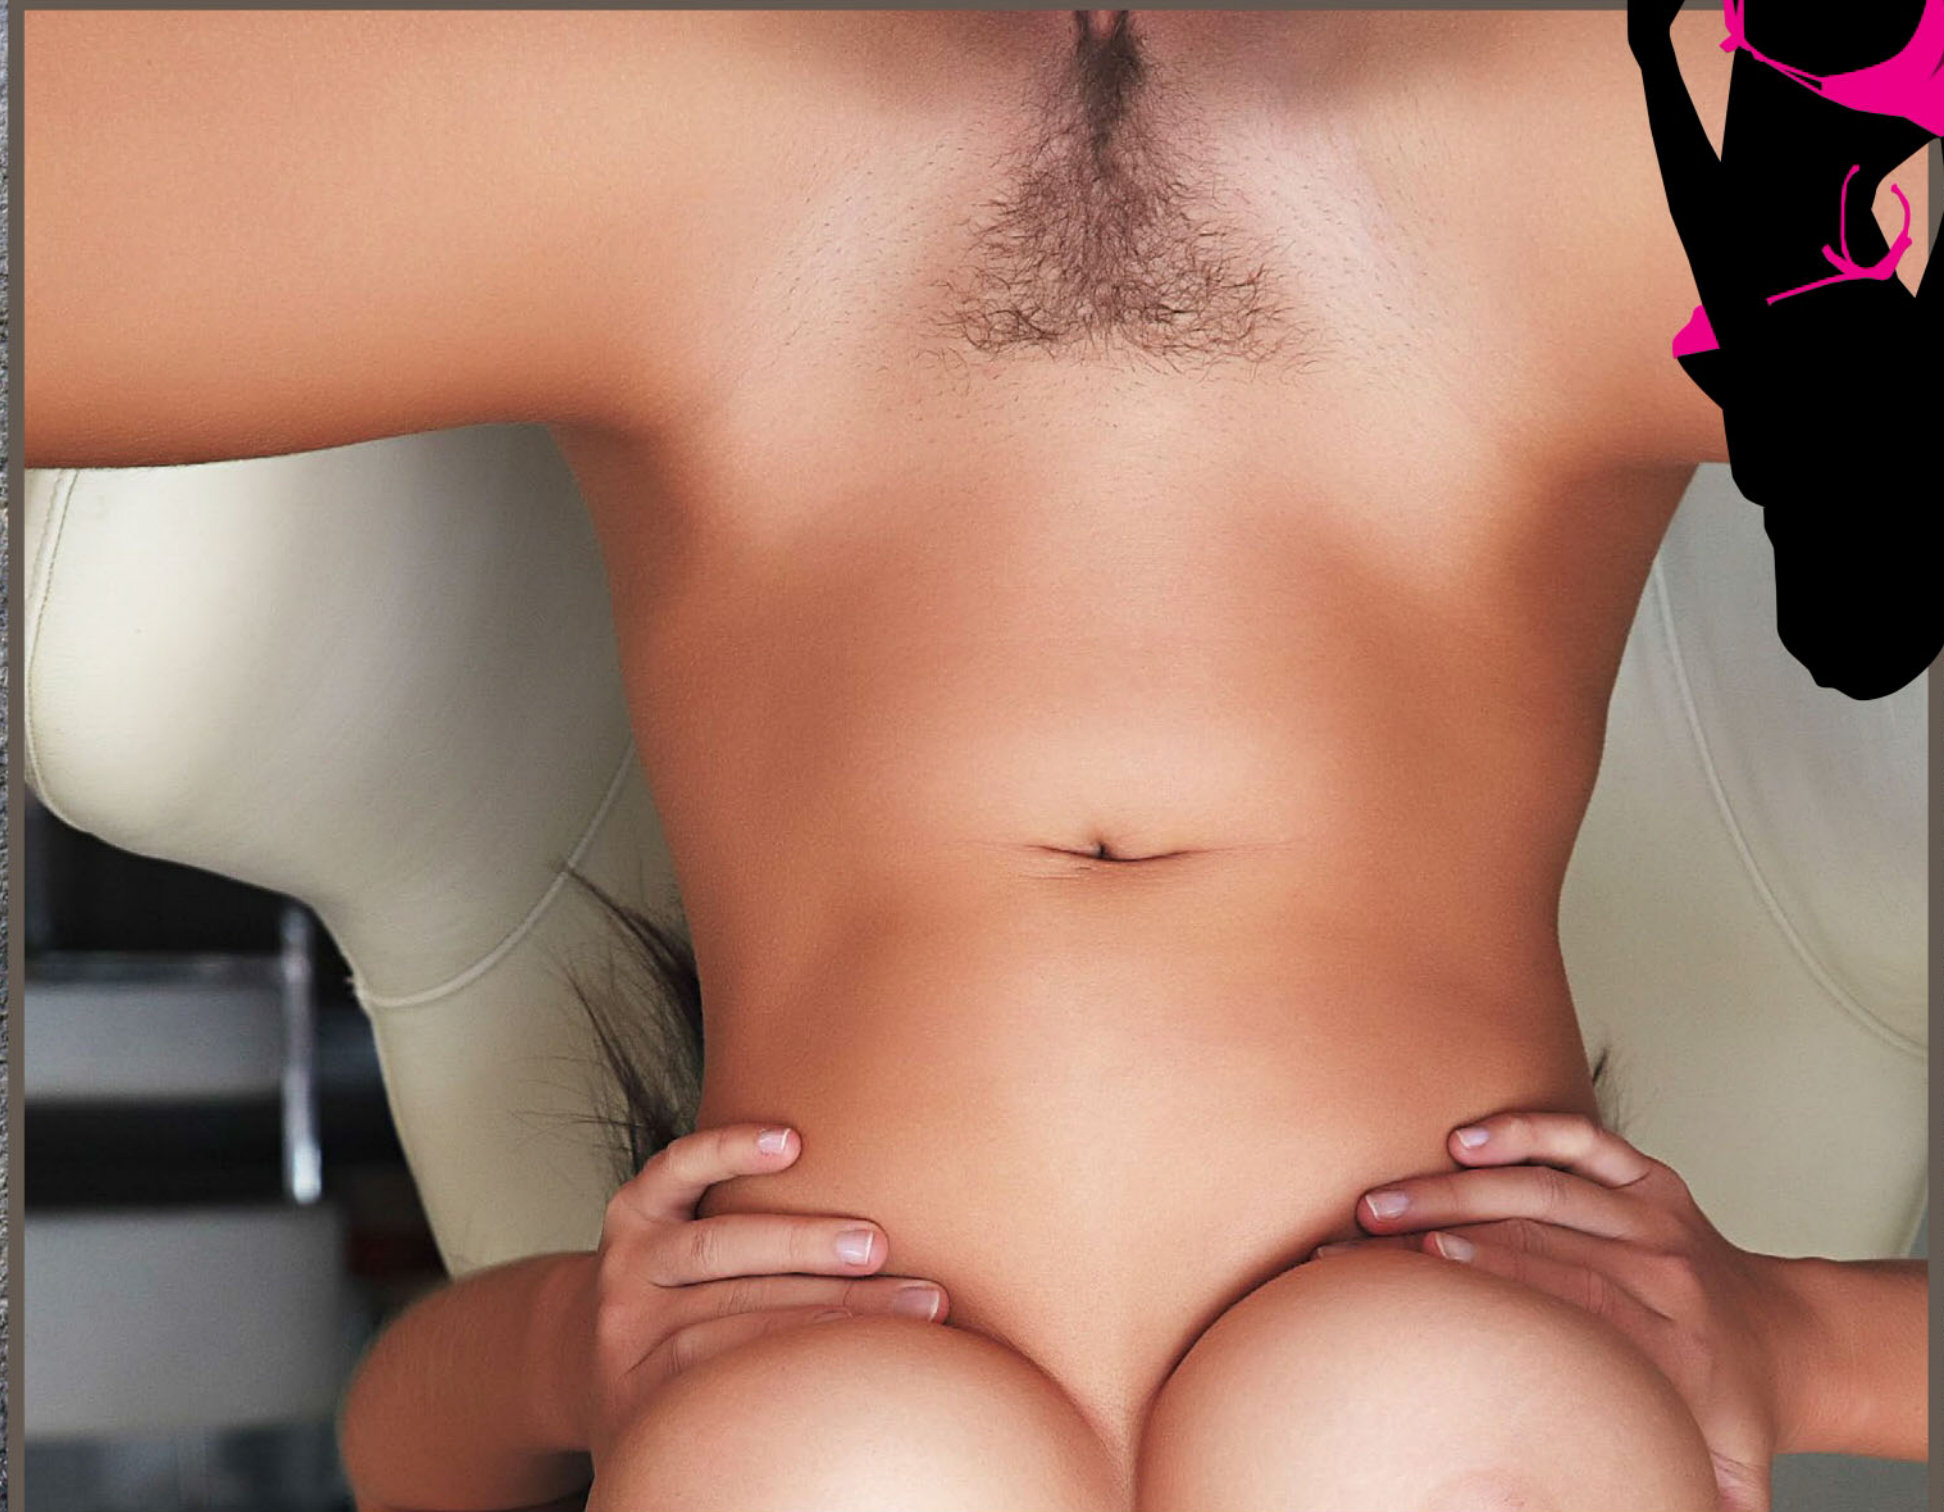
THE BODY!



What I love the most is when a man gently touches around my nipples for a while, then pinches them a little bit hard – this makes me very horny!"

Can't blame ya for that. What kind of fellas do you go for?

"I like guys who take good care of their bodies. I think muscles are very sexy. So to have big muscly arms that can pick me up and put me in all sorts of positions is very good!"

And what position is your favourite?

"It is one called the lazy dog. It is like doggy style except I am lying on my stomach. It feels the best when the man starts to go fast and pushes me down into the bed... now I'm getting horny!"

You're not the only one. Have you had any recent wild and crazy ROOTING ROMPS worth noting?

"Yes, with a big, sexy man I have been dating. We had sex in the laundry room in my apartment building. He bent me over the washing machine and fucked me very hard."

That sounds like the perfect spot to put a LOAD AWAY! ■ Picture

Zoe has a position that needs filling

SEE Zoe's fantastic rack, fellas? Well so has pretty much EVERY BLOKE IN SYDNEY. "I'm topless on the beaches around here all the time," admitted the HIGHLY ROOTABLE 21-year-old student. "I'm a bit of a flasher really."

Do people ever complain?

"No, never. Sometimes they ask for my phone number, but they usually just stare happily."

They'd be MENTAL if they did. Does outdoor sex turn you on?

"Sometimes. I've had sex in some pretty sketchy places. I'd hate to get arrested – it'd be so embarrassing."

What's the best way to have a quickie?

"Always doggy! It's my favourite position. It's easier and feels great for both people."

What about anal?

"It can be really good if done properly. It's not an all the time thing, though. Special occasions only!"

What kind of blokes are you into?

"I tend to go for tradies and geeks – I don't know why. There's something about guys who work with their hands that's really attractive. And geeks can be fun too."

Even those blokes who think Lord of the Rings is real?

ES
TED!

"Probably. I just like quiet nerdy ones, but I think I like tradies more."

Are you shacking up with anybody at the moment?

"No, I've been single for a few months, so my vibrator has been seeing some action."

Maybe you'll pick up this weekend...

"Well I will be sunbathing topless at Bondi."

Sounds beachy! ■ Picture

My Worst Fuck

PARTY TIME

I WAS 20 and sharing a house with a couple of other blokes when we decided to chuck a party.

We managed to fill the house up with people. There were all our mates, a smattering of babes and plenty of random drunks roaming around.

Then I see out of the corner of my eye, our older next door neighbour in the kitchen working her way through a bottle of wine and taking a couple of hits on a bong.

She was about 45, divorced, and loved shoving her fat tits in everyone's face.

And speaking of faces, she was off hers. When she saw me she went into sex goddess mode, rubbing my cock though my jeans by "accident" and shoving those big freckly globes at me.

After a while most of the babes had left, so I decided to pick up the crumbs and do the neighbour.

As I steered her through the remaining guests to my room she, was taking off her bra and trying to lick her own nipple. As she fell backwards onto my old bed, she kicked off her shoes and spread her legs.

I was on top of her and pumping away in a second, but she just lay there like a stunned mullet and to be brutally honest, she had a smoo like Sydney Heads.

It wasn't going well, and I was having trouble keeping it up, when I look over and see all these heads at the edge of the door.

It seems like everyone had got bored with our shit party and decided to watch me.

So I chucked a shoe and them, and they scattered, but when I looked again a few minutes later they were back. Some of them were holding beers this time.

This went on and on until I couldn't keep it up any more. Then the neighbour lady got mad and stormed off, but not before dropping a huge fart. I also think she took my watch.

SHATTERED DREAMS

I'D ALWAYS been a good little girl, the same boyfriend since high school, never fucked around, so by the time I was ready to bust out I had a lot of time to make up for.

When I heard my man was fucking someone else, my immediate reaction was: "Who can I get to fuck me?"

I'd always had reasonable sex with my boyfriend, but now I wanted some real crazy shit. I didn't know really what, but I figured I's just go along with whatever wild fantasy my selected stud wanted to act out.

So I finally picked out my tall muscly dude from the line-up at a singles bar, got him home and, cut to the chase, as soon as I dove into his pants I was disappointed .

First lesson: Big muscles don't mean a big dick.

But oh well, I thought, as long as he knows how to use it. So I sucked it and sucked it until it got sort of hard and I eagerly lay back waiting for him to ravage me.

Second lesson: Just because they're good-looking doesn't mean they know shit about fucking.

You could've written a book about what this bloke DIDN'T know about sex. I mean I had to keep steering his cock back into me when it fell out, 'cos he had no clue, and any time I got near to having an orgasm, mainly because I was fingering my clit myself, he'd stop and check his bloody phone.

I got on top and started riding him, thinking it'd be better if I was in charge, but he just lay back and checked himself out in the mirror.

After a while, he came, but it was just one grunt and a dribble, then it was all over.

I was so disappointed I switched to girls after that. I'm back on the cock now, but I was really put off it there for a while.

NICE TO MEET YOU ALL

I WENT home with this woman once who seemed to think being a psycho in bed was really sexy. Not just moaning and groaning and the usual thing, but dead set maniac psycho.

She seemed normal enough early on and she only had a glass or two of wine, so it wasn't that she was pissed.

She was acting pretty sexy and let it be known that I was welcome to stay at her place for the night, but as soon as we were upstairs she dimmed the lights really low so we could hardly see each other and started bunging on different voices.

First she was all seductive and sultry, rubbing her hair all over my chest and then kneeling down and sucking my balls like she was a slave girl and calling me 'master'.

I was just getting used to that, when she sorta snapped, and suddenly she was this bitch, pinching my nipples really hard and telling me she wouldn't fuck me unless I got my act together and that I had a pathetic excuse for a cock.

I didn't like that phase so much, so I was glad when she switched again and went into filthy slut mode, demanding I fuck her every which way in every hole and fill her with my hot choad until it ran out her ears. All kinds of depraved stuff, which I didn't mind at all, but who knew how long this phase would last either?

We managed to get in a few minutes of uninterrupted fucking, but the rapid changes in mood were starting to affect my performance so when she switched again – this time moaning some sort of spell in latin while staring at me without blinking for about five minutes – I lost wood altogether.

She was just lighting the red candles and pulled out the swords as I pulled on my dacks and left.

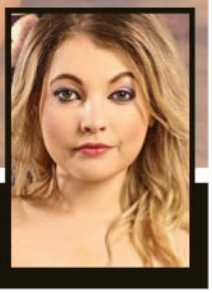
This week...

BEAUT BUM ASK THE HOMIES FLASHBACK TOP TITS



ASHLEY
NAIRNE, SA

"I usually get pretty passionate," says angelic-faced 22-year-old Ashley. ***Tell us the funniest thing that has happened to you in bed.*** "Just the sheer embarrassment of cramping up at the ripe age of 22. It kind of kills the mood." ***We'd need more than that to kill the vibe with the likes of you. Hopefully you soldiered on and finished the job.*** "Of course." ***What a trooper. What's the best way to keep your sexual stamina up?*** "Don't be a one trick pony. Keep things interesting. Foreplay is a must and change up positions to make it last longer. I love being teased. Soft kisses and touches that are so faint it just drives me crazy. Eye contact is important, too."

WHAT WOULD YOU DO IF YOU HAD A PENIS FOR A DAY?

"Masturbate, then enjoy a night on the town knowing any trouble I get into; it's only a night."

AERIAL
PODBURY, WA

"I love nature in general and being free with my own body and self-esteem," says 24-year-old exhibitionist and yoga fan Aerial. ***What would you say to someone too shy to get naked outside?*** "Embrace the moment and live. We're not all meant to hide and shy away. Whatever the reason it's for just do it and conquer the fear." ***What would you recommend about being published naked?*** "Being published naked means to me that I'm not too shy to hold back. I have no regrets because it's my beautiful body and I'm proud of it and my life, no matter what people say. It's good to express yourself, let it be known for what it is and just have fun." ***You're real tuned in, Aerial.***

WHAT WOULD YOU DO IF YOU HAD A PENIS FOR A DAY? "First of all, have a wank. Let's be honest, we all would try that. And play naughty."

LANA
MELBOURNE, VIC

Have you fulfilled your New Year's resolution to have more anal? And how often do you squirt?
ROMMIE, NORTH ADELAIDE SA

LANA SAYS: ***Hi Rommie, I most definitely have started to fulfil my New Year's resolution. I squirt whenever I'm with someone knows what they are doing.***

$30 ASK THE HOMIES

SKY
MARRICKVILLE, NSW

If I am ever diagnosed with a terminal illness, can you please use your awesome boobs to humanely terminate me?
BRENDO, BELFORD NSW

SKY SAYS: ***I haven't heard that before, but I think that would be the perfect way to go, Brendo. I think you would pass a very happy man.***

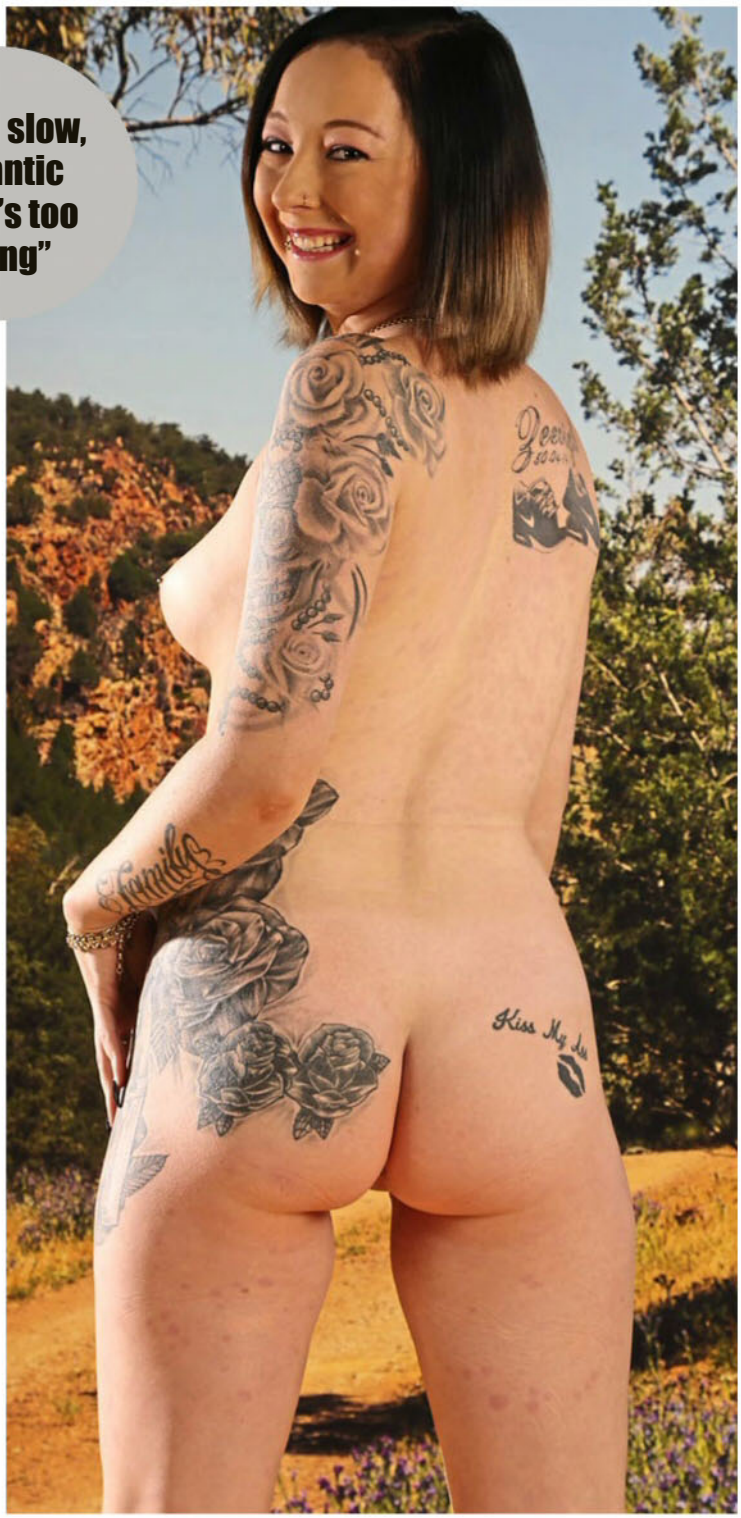
"I had sex in the storeroom"

PEACHES
DARWIN, NT

"I've had sex in the cafe I was working at," reveals 22-year-old backpacker Peaches. "It was out the back in the storeroom with this cute guy who came in for quite regularly." ***Did you put the moves on him, or was he the one chatting you up?*** "I started flirting with him, and when he realised he definitely flirted back." ***Did anyone else wise on to what was happening?*** "My manager did. But she encouraged me, she's just a couple years older and when she saw how hot the guy was, she was like 'go for it!' so I did." ***Was it everything you hoped for?*** "Probably not, it was a bit rushed. I would've liked a bit longer to explore his sexy abs!"

WHAT WOULD YOU DO IF YOU HAD A PENIS FOR A DAY? "Masturbate for sure. Then do that thing where you spin it round in circles. I think it's called the helicopter?"



INKEDUPCHICKYBABE

BALWYN, VIC

She may look ultra sweet, but this well-tatted 20-year-old TAFE student loves bondage. ***Tell us more.*** "Being spanked, choked, tied up: that is my thing. It is what I love. And the rougher, the better." ***When did you realise that was your thing?*** "When I was about 18." ***What was it that did it for you, an experience with someone or was it something you fantasised about?*** "I saw it in a movie and was like, 'I have to try that.' And now it's what I love."

Not a fan of dinner and a movie then back to yours with some scented candles and Barry White? "I hate slow romantic sex; it's too boring for me." ***What is the most extreme bondage thing you have done?*** "Probably being tied to the bed." ***And do you go to S&M clubs?*** "Yes, I do."

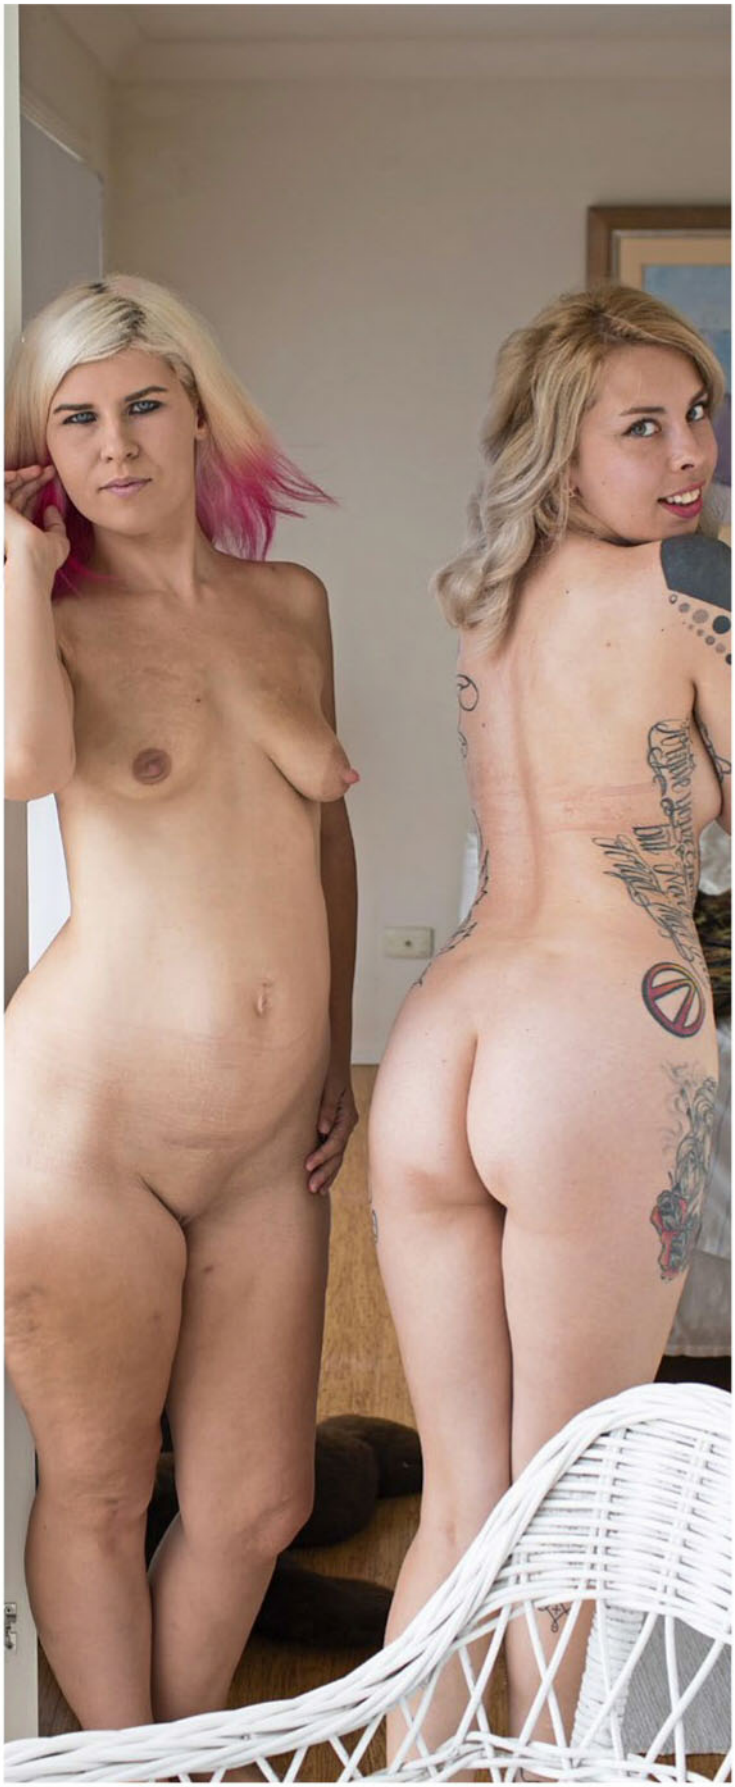
WHAT WOULD YOU DO IF YOU HAD A PENIS FOR A DAY? "Anything and everything."

"We had a quickie behind my desk"

KRIS
PROSPECT, SA

"I definitely enjoy anal," says 33-year-old receptionist Kris. "It's like the forbidden fruit." ***What would you say to someone who hasn't tried it?*** "That it's something to consider. The orgasm is so much more intense." ***What should a guy do to make your anal experience one to savour?*** "Definitely coming at the same time." ***Ever had sex on a desk at work?*** "Does behind the desk count?" ***Sounds good to us.*** "It was actually with a former work colleague. Sexual tension just got the better of us and we had a quickie behind my desk." ***What makes a work root so awesome?*** "Work being a corporate environment where sex isn't spoken of made it super naughty. And I love being naughty." ***And we love that you love being naughty.***

WHAT WOULD YOU DO IF YOU HAD A PENIS FOR A DAY? "Sit in the shower and wank myself all day."



$400 HOMIES WHO LOVE HOMIES

NIKKI & SHARK

BLACKTOWN, NSW

"Nikki has magic hands," reckons 27-year-old Shark when thinking about her 25-year-old spunky mate. ***Do you?*** **Nikki:** "I sure do have magic hands." ***Can you do card tricks and pull rabbits out of hats?*** **Nikki:** "No, but they are magic in other ways." ***Is this trickiness with girl parts a natural talent or the result of lots of practice?*** **Nikki:** "A bit of both." ***What makes girl-girl sex so good?*** **Nikki:** "Knowing what you are doing with your hands and tongue; also getting them in the right mood." **Shark:** "It's just like having a best friend that you get to have all kinds of fun with." ***And what do they do better?*** **Shark:** "Girls know how a girl works." ***Hmm, that does make sense.***

WHAT WOULD YOU DO IF YOU HAD A PENIS FOR A DAY?

Shark: "Probably go and fuck as many girls as possible."

Nikki: "I am not sure, but it would be fun."

SKY

MELBOURNE, VIC

"I hooked up with one Aussie guy and he turned out to be a total psycho," jiggled this painfully attractive Pom. "He followed me around and sent me scary text messages." ***That's our editor for ya!*** **[SACKED! – Ed.]** ***Carn, give us one more chance.*** "OK, but no more guys like that, please. I want ones who can make me laugh." ***And how can we make you MOAN?*** "I like hard, rough sex – but only every now and then. A guy I was with recently left a bruise on my boob for a week! I can't complain too much, though – the sex was great." ***Are you going home soon?*** "No, I'm gunna stay down here for the summer and work on my tan. And yes, I will be sunbaking topless!" ***We're SKY HIGH.***

"I had a threesome with two guys"

ASIA

BRISBANE, QLD

If you forget your girl's birthday, haven't bought chocolates in 20 years and stumble home at 3am full of piss, slaps her on the arse and demand a quick BUTT FUCK, Asia might be the girl of your dreams. "I hate romantic, soppy guys," the 22-year-old said. "I really need a guy who's a bastard to me!" ***Describe your perfect bloke.*** "I like true Aussie guys – wife-beaters, stubbies, Southern Cross tatts and a VB in his hand." ***What's your taste in sheilas?*** "I've done a girl-on-girl shoot for a website which had shower scenes, bedroom scenes and toys, but I just like chicks for work. I think it's hot 'cos I get to paid to do it!" ***Group sex – yay or NAY?*** "I had a threesome with two guys, which was awesome. I liked being done doggy while the other guy was lying down in front so I could give him head." ***Sounds VERY PORNOGRAPHIC*** "Ha ha! It does. I love porn – I like hardcore porn, two guys and one girl… that sort of stuff." ***Join the club.***

"I want to know what an orgasm feels like for guys"

SASHA
GOLD COAST, QLD

We asked 30-year-old German-born Sasha how local blokes compare with gents from the homeland. "I will stick with my nana's advice on that one." ***Put your teeth in first?*** "There are nice guys and arseholes everywhere in the world. So to me there are not a lot of differences between German and Aussie men." ***Nana dishedd out some wise advice.*** "But I can say that Aussies in general are probably some of the most friendly people in the world." ***When you look as good as you, it's little wonder we're all on our best behaviour.*** **WHAT WOULD YOU DO IF YOU HAD A PENIS FOR A DAY?** "I'd have so much sex. I want to know what an orgasm feels like for guys. And I'd ask someone to kick me in the nuts. Is it really that painful or is half of that just show?"

CAPRICE HUNTER
NORWOOD, SA

We asked 25-year-old Caprice what she looks for in porn. "My favourite kind of porn is the old/young combos. I love older men." ***Have you filmed yourself fucking an older guy?*** "I've made many films. Of course, there are few oldies in there… probably on VHS." ***Surely you need to digitise them.*** "I'll just film more." ***And put them online?*** "You'll have to use your imagination. I'm too discreet for that." ***What makes a good amateur stick flick?*** "You need good lighting and good sound recording. You also need to make sure you position or hold the camera as to get all your best angles." **WHAT WOULD YOU DO IF YOU HAD A PENIS FOR A DAY?** "I'd put it in a vacuum cleaner. I've always wondered what that would feel like. Good, I bet."

$200 TOP TITS

$400 HOMIE OF THE WEEK

TILLY
TAMWORTH, NSW

"My nipples are super sensitive," giggles 21-year-old student Tilly. "Even someone just rubbing against them will get them hard!" ***What do you like having done to your COUNTRY BLUMPKINS?*** "Getting them sucked on is the nicest feeling." ***Have you sampled both blokes and sheilas sucking on 'em?*** "I've only ever been with another girl once, when I was younger, and she didn't really give my boobs a suck, she went downstairs to play fairly quickly!" ***That's not right – you should be savoured, like an expensive GOON SACK. Were her FURBURGER FEASTING skills any good?*** "Yeah, she was great at giving head. She was a bit older than me and had been with a few other chicks, so knew exactly what she was doing. She taught me a thing or two, that's for sure."

WHAT WOULD YOU DO IF YOU HAD A PENIS FOR A DAY? "I'd stick in a warm apple pie like the guy from that movie!"

GO FACT YOURSELF!

BEER

01. If having an empty booze glass in front of you gives you the HEEBIE-JEEBIES, there's a word for that. Cenosillicaphobia is the fear of an empty beer glass.

02. The world's longest hangover is reported to have lasted four weeks and was suffered by a Scotsman who downed 60 pints before admitting himself to hospital with bleary vision and a splitting headache.

03. Snake Venom, created by Scottish brewery Brewmeister, is the world's strongest beer. It contains a blackout-inducing 67.5% alcohol content.

04. Australia's oldest continually operating brewery is the Cascade Brewery in Hobart. It was opened in 1832 by convicted thief Peter Degraves and his brother-in-law Hugh Macintosh.

05. Pomgolian John Evans holds the world record for balancing pints of beer on his head, capable of a neck-straining 237.

06. Alcoholics in Amsterdam are paid in beer to clean the city streets. Dedicated pissheads can score five cans of piss, half a pack of rollies, a free lunch and ten euros for a day's work.

07. Nigeria consumes more Guinness than Ireland. The African nation was home to the first Guinness brewery outside the UK, opening in Lagos in 1962.

08. Norway's first aircraft hijacking in 1969 was brought to an end when the MAGGOTED hijacker surrendered his pistol in exchange for more beer.

09. In 1956, the US exploded two atomic bombs near beers to test whether they would be safe to drink if exposed to radiation. Turns out they wouldn't cause you any harm, but also wouldn't taste too great. The more you know, eh.
